

What We Do...

Peopletek Ltd, part of the People First Group, is an Engineering and Technical Recruitment Consultancy. Our purpose is to provide a quality Engineering and Technical Recruitment Service locally, nationally and internationally by supplying qualified and experienced personnel, efficiently and economically to the Engineering, Construction and Manufacturing industries.

Services...

We pride ourselves in delivering a professional, reliable and Cost effective service. We know how difficult it is to recruit staff with the qualifications and experience to match your requirements exactly.

Experience...

Our Engineering Division is headed by a team with over 20 years experience in the recruitment of Engineers and Technicians in Construction, Utilities, Petrochemical, Mechanical, Electrical, Instrumentation and similar related Industries; Your enquiries will be dealt with personally and professionally. We can visit your site to discuss your requirements, assess your needs and offer advice. We can take the hassle out of the recruitment process, enabling you to get on with running your company. It is a reassuring thought to know you can pick up the phone and talk to someone who will know exactly what you need.

Efficiency...

Recruitment can be time consuming, expensive and quite often frustrating, Peopletek can find you the ideal person who is ready to start with your company whether you require Permanent, Temporary or Contract staff.

We will deal with all the trauma of attracting the right people, placing advertisements, screening suitable applicants and then only after in-depth interviews would we recommend a candidate for a position in your company.
